4. GENERAL MEETINGS

General Meetings enable Members to take part in the running of their Association. No business may be conducted at a General Meeting without a minimum of twelve Full Members (a quorum) present at the scheduled start time of the General Meeting or within 30 minutes of that time. Associate Members may attend, but only Full Members can vote. There are two types of General Meeting.

4.1. Annual General Meeting (AGM): An AGM must be held in every calendar year at a time and place decided by the Committee and not more than fifteen months after the last preceding AGM. Members are notified in writing at the email (or postal) address so that they have been given at least 21 days in advance of an AGM.

4.1.1 If the Committee considers that meeting in person is not possible for any reason, the meeting will be conducted entirely online via a video and audio videoconferencing platform. Any voting required may be conducted using the online polling function, as per the process stipulated by the platform in use at that time.

4.1.2 The Committee may also decide that the AGM will be held with both an in-person and online presence. In this case, the Secretary will organise for the AGM to have appropriate IT in place to allow this and will establish a means to allow both in person and online voting.

4.1.3 In either of these cases the meeting is to be recorded and the recording kept until the next AGM, in case of any query.

4.2. Extraordinary General Meeting (EGM): All General Meetings other than AGMs, are Extraordinary General Meetings. Members will be given at least 14 days' notice of any EGM. They cover one topic only and are called either by:

4.2.1. The Committee may call an EGM if they consider a matter cannot wait until the AGM, or

4.2.2. Formal request by 5% of the Full Members to discuss a specific notified topic.

5.7.2. Ordinary Committee members who have completed six consecutive years stand down and are only eligible for re-election after one year.

5.8. Previous years of service on the Committee for the Chairwoman and the Honorary Officers, who must be Committee Members, will be disregarded. This means and Ordinary Committee Member who goes on to become an Honorary Officer could serve as part of the Committee for a total of up to 12 consecutive years, or that an already serving Honorary Officer could become a Chairwoman for a further 6 years and serve as part of the Committee for a total of 12 consecutive years. **Confirmation of the Committee.** Honorary Officers and the Ordinary Members of the Committee shall be elected at the Annual General Meeting in every year. Proxy votes are permitted to vote for Committee Members. BWPA members may join the Committee during the year through the process in Annex A, paragraphs 2.3 to 2.7.

The BWPA's branding should not be used in any circumstance by any Member on non-BWPA business. In case of doubt the matter should be referred to the Chairwoman or Secretary.

7.1. Publication of minutes: Minutes of AGMs and EGMs marked 'Draft' or 'Approved' will be available to the Membership on the Association website Members area.

8. WINDING UP OR DISSOLUTION.

This is covered in the Articles of Association [4]

9. REVIEW OF RULES.

These Rules are subject to review and agreement annually at each AGM.

BWPA RULES ANNEX A – COMMITTEE MEMBERS

BWPA Officers and Committee members are elected representatives of the BWPA Membership and take office from the close of the Annual General Meeting at which they are elected.

The Officers and Committee members are required to perform their committee role in accordance with policies and procedures outlined in the BWPA's Articles of Association and its Rules that apply to them.

1. Key responsibilities of all BWPA Officers and Committee members:

1.1. Be fully conversant and adhere to the BWPA's Articles of Association and the Rules as well as keeping up to date with AGM and Committee decisions.

1.2. Ensure that the BWPA Committee prepares annual reports on what it has achieved and Annual Returns and accounts as required by the BWPA Rules and its Articles of Association.

1.3. Act with integrity and avoid any personal conflict of interest or misuse of BWPA funds or assets and not receive any payments out of the BWPA's funds other than reasonable and necessary out-of-pocket expenses, such as the cost of travel to attend meetings.

1.4. Ensure that the BWPA's funds are spent or earmarked for the purposes for which they were raised and should avoid undertaking activities that might place the BWPA's funds, assets and reputation at undue risk.

2. ORDINARY COMMITTEE AND DIRECTORS

All Committee Members (that include Directors) occupy a key place in the management of the BWPA. The Committee needs to be large enough to assure efficient working by fair distribution of work, whilst not being so large that it is too expensive to fairly reimburse its Members' legitimate expenses. The Committee's overall composition is voted on at the AGM, and the schedule of Committee Meetings will be agreed at the first Committee Meeting after the AGM.

2.1. The Directors of the BWPA Ltd under the Articles of Association hold separate occasional Directors' Meetings. Directors are enrolled from committee using the following qualification criteria:

- A first licence
- Five years working in a relevant industry (which may include business management, finance, legal, communications, charity, for example).
- Five years as a BWPA member
- One year on committee
- Leadership or governance experience

The qualification criteria apply unless there is clear experience for the role that negates any of the above and all existing Directors agree.

2.2. Committee Members are voting Members who join the Committee in accordance with the process set out in paragraphs 2.3 to 2.7, and are confirmed at an AGM. Committee Members are taken to stand-down before each AGM and then stand for re-election if willing for up to a total of 6 years on committee. (The Chairwoman, who must be a full member, is nominated from amongst the current Committee Members.)

Joining the Committee as an Ordinary Committee Member

2.3. The Committee recognises the need to be agile to new Ordinary Committee members joining at any point during the year. The process for joining the BWPA

Committee should also be transparent.

2.4. To apply to join the BWPA Committee, a member should express interest by completing an online application form, hosted in the members' area of the BWPA website. As part of completing this application form, the applicant should seek a nomination from an existing on or off Committee member to support their application. Applicants should ideally attend at least one Committee meeting ahead of applying to join the Committee.

2.5. Applications to join the Committee will be considered and voted on at each Committee meeting as part of the Secretary's report. Applicants will be invited to attend the Committee meeting where their application is considered if they wish to introduce themselves in support of their application.

2.6. If voted positively to join the Committee, new Ordinary Committee members will be co-opted onto the Committee at that meeting. The BWPA membership will be notified of new Committee members and, subject to any comments which may be sent to the Secretary, will formally be on Committee from the following meeting.

2.7. The vote on the overall composition of the Committee will be retained to allow members to have a further opportunity to provide feedback to the Committee, as set out in paragraph 5.8.

2.8. There are certain roles that should be carried out by Ordinary Committee members, based on being key to achieving the BWPA's aims and strategic objectives. Priority for these roles will be given to Committee members. These roles include:

- Membership Coordinator
- Scholarships Coordinator
- Events Coordinator
- Communications Lead

2.9. Individually a Committee Member is to be ever vigilant that she always serves the interests of the BWPA. This includes responsibilities such as:

2.9.1. Promotion of the BWPA including recruiting and retaining Members.
Attendance at Committee Meetings or reporting to the meeting if absent.

Provision of information to the rest of the Committee as required

2.9.2. Assist in the work of BWPA sub-Committees.

2.9.3. Assist in assuring Committee succession and its representation of BWPA's Members.

3. RETIREMENT, RESIGNATION OR DISMISSAL OF BWPA COMMITTEE MEMBERS.

The BWPA recognises that there are certain circumstances when the relationship between the Committee member and the Association must come to an end. The following circumstances ends the role of a BWPA Committee Member on:

3.1. Written notice of resignation (or she may simply decide not to stand for re-election at the next AGM); a Committee Member is deemed to have resigned having failed to attend for three meetings without providing apologies/explanation;

3.2. Failure to renew her BWPA Membership;

3.3. Becoming bankrupt or insolvent (to be reviewed if not handling money);

3.4. Becoming incapable for medical reasons of fulfilling her defined duties on Committee

3.5. Being directly or indirectly interested in any contract linked to BWPA activities and failing to declare that interest.

The Chairwoman reserves the right to ask an Ordinary Committee member to relinquish her office if she has an evident conflict with the BWPA's values and objectives, or where there is failure to accept a majority decision of the BWPA Committee.

4. OFF-COMMITTEE MEMBERS

Theoretically numbers of Off-committee Members are not limited, and accordingly Off-committee members do not have to stand down after 6 years, whilst they are fulfilling a defined BWPA role

notified at the AGM. Regional Representatives are automatically Off-committee Members. Off-Committee members attend when necessary to report on their role, if asked to attend a specific Committee meeting or when activity defines the need.

4.1. Those serving on committee are to be aware of how Off-committee Members are tasked, especially through the minutes. Anyone not present and able to provide detail at meetings and should not be tasked; accordingly, an Ordinary Committee Member could well be tasked to complete the Committee decisions because they are present. Off-committee Members may attend Committee Meetings any time they wish, although as a Committee cost matter, in such a case they would not normally be expected to claim expenses, unless asked to attend.

5. COMMITTEE MEETINGS

The Committee meets to despatch the business of the Association and is only authorised if it is quorate, ie: at least four ordinary committee members/officers. If a meeting is inquorate it is still possible to conduct business, but subject to ratification, at the next quorate meeting (or agreed on-line by email, if urgent, and still recorded at the next meeting.

5.1. Committee meetings will be conducted in accordance with accepted governance practice under and through the control of the Chairwoman and the proceedings of all meetings will be recorded in writing.

5.2. Officers and Ordinary Committee Members are expected to attend all Committee Meetings and provide their apologies if not attending.

5.2.1. An Ordinary Committee Member will be deemed to have resigned from the committee if not attending for two properly called Committee Meetings without apology- decision made at the third meeting missed.

5.2.2. Similarly, Off-Committee Members and BWPA Members need to indicate that they wish to attend committee meetings.

5.3. The Committee's overall composition is voted on at the BWPA's AGM, Ordinary Members and Chairwoman, and the schedule of Committee Meetings will be agreed at the first Committee Meeting after the AGM, all to assure best running of the Association.

5.3.1. With the above in mind, all meetings will run to the pre-meeting schedule of:

5.3.1.1. At least 3 weeks before the scheduled meeting: A calling notice and request for agenda items and reports to be sent by Hon Sec; reports, agenda items are requested for a week before the meeting – date defined, but adjusted if time permits, to assure best use of the Committee time.

5.3.1.2. Final agenda and reports will be sent to Committee, and those attending as appropriate, providing 3 full days for review by the Committee, whether or not attending individually.

5.3.1.3. The Chairwoman reviews the circulated Agenda and adds any essential items, thereby closing the Agenda, in-meeting. This permits proper sequential consideration of items for the agenda, short notice elements of which be added to extant items.

Emergency committee meetings are at a minimum 14 days' notice, unless a shorter period is agreed.

6. MEETING MINUTES (Recording Decisions); See the Honorary Secretary's Job Description.

6.1. The Secretary will take minutes for all meetings (General or Committee) at which she is present. When the Secretary is not available, or for sub-committees/working groups, the Committee Chairwoman will appoint a secretary for that meeting, or the working group, if different, responsible for reporting the meetings and decisions made.

6.1.1. Meeting minutes remain "Draft" until agreed at the next equivalent meeting.

They are actioned in the interim and any required changes are minuted at the next meeting, with any corrective action recorded.

6.2. Whilst allowing for the volunteer status of the BWPA Committee, the (Honorary) Secretary should endeavour to release the meeting minutes as soon as possible and ideally within two weeks of the meeting, having checked them through the Chairwoman. Sub-committee meeting minutes require authorisation and release by the Committee, especially where any BWPA expenditure is required.

6.3. The proceedings of a committee may only be audio recorded / digitally if agreed by those attending, with a minute to define the use and proposed disposal of the audio record. Routinely the audio record is deleted after the minutes are agreed, if there is no dispute.

7. SUB-COMMITTEES AND WORKING GROUPS.

Formally established Working Groups or Sub-Committees are to arrange events or progress a project. The Committee has standing sub-committees for:

7.1. Awards: routinely ex officio BWPA Chairwoman; Deputy Chair and previous Chairwoman. (But to be agreed in Committee if varied.)

7.2. Scholarships: (now decoupled from Awards) Chairwoman and Deputy Chair plus others as required to complete the task.

The BWPA's working groups are under the authority of the BWPA's Committee. Establishment of the working group must be agreed in Committee and minuted as such with its general scope, nominated chairwoman and with any permitted financial limits. Make up and frequency of the working group meetings is usually left to the group's chairwoman and they report back to the next main BWPA Committee Meeting after meetings or activity off-committee. The BWPA Committee is responsible for underwriting bookings or any other commitments made by the Working Group before they are made, although defined limited spends might be pre-authorized when tasking the working group.

8. BWPA REPRESENTATION

The BWPA is linked with other aviation groups and associations to increase benefits for the BWPA's Membership and to increase its outreach in accordance with its objectives. Such links and their level are agreed through the Committee and recorded in the Minutes as they affect the BWPA. Committee representatives will report to the Committee as appropriate. When the BWPA is approached for its input whether or not linked directly with its objectives, it must be referred to the Chairwoman at the very least, to agree a line to take, in case there is a conflict of interest or double representation.

9. EXPENSES

The Committee may authorise reasonable out of pocket expenses incurred by any Member on the BWPA's business, using the agreed expenses claim form. Ideally if the Member does not wish to claim expenses, she (or he) is asked to submit a form anyway and indicate that they wish to donate the costs incurred. As a routine, payments are agreed through the Treasurer with one further Officer, to the limits defined in the Treasurer's terms of reference.
